This is audio from a show I played with [Zack McCarter](#) at the Preservation Pub in Knoxville, TN, on January 24, 2013. The video starts out with audio of the person who was on before us: Grant Waldorf aka [R everie 7](#) playing "Wish You Were Here." After that, our set starts- it's 45 minutes of Zack's music with me on lead guitar, and then at the end we switched roles and he played lead (and sang harmony on part of "Stranger Things" !) Really solid set. Great songs (Zack is one of the best songwriters I know, probably the best). Worth listening to. It will happen again!
