Yes, so it is that time again. At Bennett's City Cafe in Hohenwald, TN, on Tuesday, April 16, 2013, the 2nd ever open mic night will occur. The first one was a definite success, as 8 different musicians and songwriters performed original material and covers for over three hours. (thank you to all who came out and made that event a success!)

The owners were kind enough to open their doors again, and I am hoping to continue to build this! There is plenty of stage- if you would like to fill it, come on out! Open means open- if you want to get up there and play or sing... come do it! There are people who want to hear you!

Start time is around 7 PM, it'll go until 10 PM or later. Hope to see you there!
