

New album From Tennessee Night Train! (my debut as producer)

Written by Peter

Tuesday, 23 February 2016 03:14 -

So, to put up one of the things I've been working on for the last few months- the debut album from some friends of mine. They hired me to help them produce an album, and, well, they've got one!

I'm not going to write too much about it, but go listen to it here, and click through to the bandcamp site if you want to read more about it. Enjoy!
